

Ryan Gustin - CSX Community Affairs and Safety

Ryan Gustin has spent the last thirteen years working in Florida as a law enforcement professional. This time was spent with the Winter Park Police Department as a Patrol Officer, the Florida State Fire Marshal's Office as a Police Detective, and with the CSX Railroad Police Department as a Special Agent. Stepping away from the law enforcement field, but capitalizing on his background, Ryan recently accepted a position within CSX that transferred him to Nashville, TN. He currently serves as a Manager of Community Affairs and Safety for CSX Transportation where he is responsible for working with communities all throughout Tennessee and portions of Northern Alabama. Working closely with emergency responders to educate them about railroad safety and security is a big part of his current responsibilities.
