

## **ACKNOWLEDGMENTS**

The Motive Power and Equipment Compliance Manual represents the combined efforts of MP&E Inspectors and Regional MP&E Specialists, who are subject matter experts, working with the MP&E Headquarters Staff Specialists and MP&E Mechanical Engineers to develop the guidance and supporting materials necessary to produce the Manual.

The following FRA personnel contributed to the development of the original Manual:

Dale Berger	Paul Furman	Ron Newman
Joe Berry	Gary Groff	Mike O'Brien
Charlie Bielitz	Tom Herrmann	George Scerbo
Tom Blankenship	Art Johnson	Ken Sellers
Steve Carullo	Lou Klein	Satya Singh
Rob Castiglione	Fred Lenard	Richard Thomas
Bill Chisholm	Levoy Little	Joe Vukson
Dave Doncoes	Tom Lutz	Norm Wilson
Gary Fairbanks	David Mao	James Wilson
Ralph Forney	Fred McGrath	Wayne Wilson
Horace Franklin	Mike Micek	

Equally important to the development of the Manual and the annual updates is the oversight and guidance provided by the MP&E Division Staff Director, Mr. Ron Newman, and Mr. Tom Herrmann, from Chief Counsel's Office.

Consultants to the original Manual included: Messrs. David Brooks, Dan Buckley, Levoy Little, Leon Smith, and Ms. Peggy Ellis.

A special "Thank You" goes to Mr. James Wilson of the Headquarter's MP&E Division Staff, who was the principal editor/assembler of the original MP&E Compliance Manual, and subsequent updates.

Also, the entire MP&E headquarter's Staff, who contributed to the updated material for the 2008 MP&E Compliance Manual.

A special "Thank You" also goes to the Associate Administrator for Safety, Ms. Jo Strang and the Director for Safety Assurance and Compliance, Mr. Ed Pritchard, for their leadership and commitment which made this Manual and annual updates possible.
