

Peggy Lyda, Manager Public Safety, UPRR

Peggy has worked for the Union Pacific for 18 years. She has held this position since January, 2011. Peggy's territory includes 7 Western States (California, Nevada, Utah, Oregon, Washington, Idaho, and Montana). Her work includes community coalition formation and oversight in targeted areas that require additional attention. Part of community involvement involves coordination of safety trains where she has the ability to involve the Mayor, council members, public work directors, city workers, etc. Prior to joining the Safety Department, Peggy worked as the paralegal defending Union Pacific against crossing and trespass lawsuits.
