

Lou Frangella, FRA

Lou Frangella has been employed by the Federal Railroad Administration (FRA) as a Grade Crossing/Trespasser Regional Manager since 2008. In this position he supports the Federal Railroad Administration's (FRA) Highway-Rail Grade Crossing Safety and Trespasser Prevention Programs and the relationship of FRA Office of Safety Analysis, to the Region and the individual states and districts. He is assigned to FRA's Region 1 Office in Cambridge, MA and serves as a manager on grade crossing issues throughout New England, New York and New Jersey.

Before joining the FRA in August of 2008, he completed a 32 year career as a Manager with Conrail and CSX, holding various positions in the Transportation, Industrial Engineering, Engineering and Public Affairs departments.

Over his career, he has completed many railroad safety courses, and has an AS in Business Administration and BS in Public Administration from the State University of New York. He is also a qualified Operation Lifesaver Presenter, Presenter Trainer, Rail Safety for Emergency Responder (RSER) course Instructor and Instructor Trainer, and Grade Crossing Collision Investigation(GCCI) course Instructor.
