Great Opportunity

- ▣ 180 rail safety experts are here
- ▣ 6 sessions – knowledgeable speakers
 - Pedestrian Safety
 - Hazard Management
 - Design, Technology & Infrastructure
 - Community Outreach
 - Enforcement
 - Intentional Deaths/Acts
- ▣ 6 breakout sessions to share successes and develop other areas that need to be explored

Our Challenge to HELP

- ▣ Hear with an open mind
- ▣ Evaluate what you hear
- ▣ Learn from others – speakers, during breaks and meals
- ▣ Participate fully – you have 2 ½ days to devote to saving lives

Get the Most Out of the Workshop

- ▣ Be on time
- ▣ Mute cell phones
- ▣ Keep cell phones in pocket as much as possible
- ▣ Exception – to tweet questions at #ROW2012
- ▣ Actively participate in your breakout session
